The Honorable Margaret Anderson Kelliher
Speaker of the House of Representatives
The State of Minnesota

Dear Speaker Kelliher:

I have vetoed and am returning H. F. No. 3391, Chapter No. 327, a bill relating to health care.

As the Transformation Task Force began its work, we agreed that merely expanding access to a broken system would be unsustainable and unwise. The goal was to make fundamental changes in how we deliver and provide care in order to lower costs and improve quality, and to use some of the savings to expand access. Unfortunately, many months later, this bill fails to achieve those goals. H. F. No. 3391 emphasizes expanded access at the expense of meaningful cost containment and quality improvement. The bill also did not attract significant bipartisan support, and it does not meaningfully incorporate the suggestions of minority members.

The level of expansion in public subsidies for health care in this bill, without evidence of achieving cost containment, is excessive and irresponsible. The state cannot afford to further expand subsidized health programs without certainty of reform that will control costs and without an overall budget agreement that deals adequately with our current and future budget deficit.

The bill adds a significant number of new initiatives related to health care access and expansion, most of which are within the MinnesotaCare program. According to the appropriations article, new annual spending out of the Health Care Access Fund would reach \$141 million by FY 2011. Since many of the eligibility changes would not be implemented until well into FY 2010, the full, annualized cost of many of these provisions are underrepresented by these fiscal estimates. Although the bill would leave an estimated \$153 million balance in the fund at the end of FY 2011, the additional spending would create a structural deficit in the fund of \$124 million in that year, meaning the fund may not be able to cover obligations through FY 2013.

It should also be noted that significant discrepancies exist between provisions in the appropriations article of the bill and amounts reported on the bill's spreadsheet.

I am particularly concerned about the provisions in the bill that "crowd out" private coverage, including the repeal of the \$50,000 income limit for MinnesotaCare and the repeal of the four-month barrier. Our goal should be to encourage more individuals to participate in the private sector, not to make it easier for those currently in private coverage to transfer to public coverage.

The Delayed Verification, Premium Grace Month, and One Month Rolling Eligibility may have the combined effect of applicants whose verification has yet to be determined receiving a free month of initial coverage, and if they refused to pay, receiving an additional free grace month. As a result, the state could provide two months of MinnesotaCare coverage to individuals or families who decide not to enroll or who are determined not eligible. This is bad public policy.

H. F. No. 3391 requires DHS to improve coordination and data transfer with social service programs, including schools, and to develop automated systems to identify persons served by such programs who may be eligible for public health programs. Significant changes in state law and federal waivers will be needed to allow MHCP enrollees to renew their coverage through these social service programs. Allowing MA enrollees to participate in this manner may also violate the federal requirement to administer MA through a single agency.

H. F. No. 3391 also includes subsidizing households with income up to 400 percent of federal poverty guidelines. This is simply too high. A family of four with income up to \$84,800 would be eligible under this legislation. This is above the Minnesota *median family income* for a family of four of \$81,477. Also, the new affordability standard linked to income is unwise. Such a standard would be subject to "auto pilot" increases as health care costs likely will continue to rise faster than income.

All government entities are excluded from the "baskets of care" provisions in this bill. While there may be a legitimate argument to exclude or delay this section for DHS and its programs, DOER and other local government entities should be included in this opportunity. The language in the bill could result in cost shifting and would not provide the simplified pricing structure that is intended by this section.

I am also concerned about portions of the bill that seek to design certain benefit sets. The benefit set envisioned by the bill seems geared to result in a high-cost product. In addition, while we must use sound scientific evidence and processes to determine which therapies to include in these benefit designs, the bill establishes a process that could inappropriately serve to restrict access to certain new therapies and technologies.

Finally, the bill does not provide adequate resources to implement the many health care reform responsibilities given to the Commissioner of Health. The Commissioner's duties are substantial under the bill, but the bill allocates less than half the needed funding to implement these responsibilities. Without adequate funding, implementation of the Commissioner's duties will be impossible to complete.

This bill makes progress in several areas, including improved transparency of price and quality, advancement of e-prescribing and electronic health records, development of medical homes, care coordination of chronic disease, and the beginning of payment reform to pay doctors for evidence-based, high-quality health care.

I hope we can move forward on these areas of common agreement and make some progress toward broader health care reform.

Sincerely,

TIM PAWLENTY
Governor

(b) The recording officer shall upon request promptly assign a number (CIC number) to a common interest community to be formed or to a common interest community resulting from the merger of two or more common interest communities.

(c) Documents recorded pursuant to this chapter shall in the case of registered land be filed, and references to the recording of documents shall mean filed in the case of registered land.

(d) Subject to any specific requirements of this chapter, if a recorded document relating to a common interest community or a master association purports to require a certain vote or signatures approving any restatement or amendment of the document by a certain number or percentage of unit owners or secured parties, and if the amendment or restatement is to be recorded, an affidavit of the president or secretary of the association stating that the required vote or signatures have been obtained shall be attached to the document to be recorded and shall constitute prima facie evidence of the representations contained therein.

~~(e) If a common interest community is located on registered land, the recording fee for any document affecting two or more units shall be \$46 for the first ten affected certificates and \$10 for each additional affected certificate. This provision shall not apply to recording fees for deeds of conveyance, with the exception of deeds given pursuant to sections 515B.2-119 and 515B.3-112. The same fees shall apply to recording any document affecting two or more units or other parcels of real estate subject to a master declaration.~~

~~(e)~~ (e) Except as permitted under this subsection, a recording officer shall not file or record a declaration creating a new common interest community, unless the county treasurer has certified that the property taxes payable in the current year for the real estate included in the proposed common interest community have been paid. This certification is in addition to the certification for delinquent taxes required by section 272.12. In the case of preexisting common interest communities, the recording officer shall accept, file, and record the following instruments, without requiring a certification as to the current or delinquent taxes on any of the units in the common

interest community: (i) a declaration subjecting the common interest community to this chapter; (ii) a declaration changing the form of a common interest community pursuant to section 515B.2-123; or (iii) an amendment to or restatement of the declaration, bylaws, or CIC plat. In order for an instrument to be accepted and recorded under the preceding sentence, the instrument must not create or change unit or common area boundaries.

ARTICLE 2

TRANSFER ON DEATH DEEDS

Section 1. Minnesota Statutes 2006, section 256B.15, subdivision 1h, is amended to read:

Subd. 1h. **Estates of specific persons receiving medical assistance.** (a) For purposes of this section, paragraphs (b) to (k) apply if a person received medical assistance for which a claim may be filed under this section and died single, or the surviving spouse of the couple and was not survived by any of the persons described in subdivisions 3 and 4.

(b) For purposes of this section, the person's estate consists of: (1) ~~their~~ the person's probate estate; (2) all of the person's interests or proceeds of those interests in real property the person owned as a life tenant or as a joint tenant with a right of survivorship at the time of the person's death; (3) all of the person's interests or proceeds of those interests in securities the person owned in beneficiary form as provided under sections 524.6-301 to 524.6-311 at the time of the person's death, to the extent they become part of the probate estate under section 524.6-307; ~~and~~ (4) all of the person's interests in joint accounts, multiple party accounts, and pay on death accounts, or the proceeds of those accounts, as provided under sections 524.6-201 to 524.6-214 at the time of the person's death to the extent they become part of the probate estate under section 524.6-207; and (5) the person's legal title or interest at the time of the person's death in real property transferred under a transfer on death deed under section 507.071, or in the proceeds from the subsequent sale of the person's interest in the real property. Notwithstanding any law or rule to the contrary, a state or county agency with a claim under this section shall be a creditor under section 524.6-307.

(c) Notwithstanding any law or rule to the contrary, the person's life estate or joint tenancy interest in real property not subject to a medical assistance lien under sections 514.980 to 514.985 on the date of the person's death shall not end upon the person's death and shall continue as provided in this subdivision. The life estate in the person's estate shall be that portion of the interest in the real property subject to the life estate that is equal to the life estate percentage factor for the life estate as listed in the Life Estate Mortality Table of the health care program's manual for a person who was the age of the medical assistance recipient on the date of the person's death. The joint tenancy interest in real property in the estate shall be equal to the fractional interest the person would have owned in the jointly held interest in the property had they and the other owners held title to the property as tenants in common on the date the person died.

(d) The court upon its own motion, or upon motion by the personal representative or any interested party, may enter an order directing the remaindermen or surviving joint tenants and their spouses, if any, to sign all documents, take all actions, and otherwise fully cooperate with the personal representative and the court to liquidate the decedent's life estate or joint tenancy interests in the estate and deliver the cash or the proceeds of those interests to the personal representative and provide for any legal and equitable sanctions as the court deems appropriate to enforce and carry out the order, including an award of reasonable attorney fees.

(e) The personal representative may make, execute, and deliver any conveyances or other documents necessary to convey the decedent's life estate or joint tenancy interest in the estate that are necessary to liquidate and reduce to cash the decedent's interest or for any other purposes.

(f) Subject to administration, all costs, including reasonable attorney fees, directly and immediately related to liquidating the decedent's life estate or joint tenancy interest in the decedent's estate, shall be paid from the gross proceeds of the liquidation allocable to the decedent's interest and the net proceeds shall be turned over to the personal representative and applied to payment of the claim presented under this section.

(g) The personal representative shall bring a motion in the district court in which the estate is being probated to compel the remaindermen or surviving joint tenants to account for and deliver to the personal representative all or any part of the proceeds of any sale, mortgage, transfer, conveyance, or any disposition of real property allocable to the decedent's life estate or joint tenancy interest in the decedent's estate, and do everything necessary to liquidate and reduce to cash the decedent's interest and turn the proceeds of the sale or other disposition over to the personal representative. The court may grant any legal or equitable relief including, but not limited to, ordering a partition of real estate under chapter 558 necessary to make the value of the decedent's life estate or joint tenancy interest available to the estate for payment of a claim under this section.

(h) Subject to administration, the personal representative shall use all of the cash or proceeds of interests to pay an allowable claim under this section. The remaindermen or surviving joint tenants and their spouses, if any, may enter into a written agreement with the personal representative or the claimant to settle and satisfy obligations imposed at any time before or after a claim is filed.

(i) The personal representative may, at their discretion, provide any or all of the other owners, remaindermen, or surviving joint tenants with an affidavit terminating the decedent's estate's interest in real property the decedent owned as a life tenant or as a joint tenant with others, if the personal representative determines in good faith that neither the decedent nor any of the decedent's predeceased spouses received any medical assistance for which a claim could be filed under this section, or if the personal representative has filed an affidavit with the court that the estate has other assets sufficient to pay a claim, as presented, or if there is a written agreement under paragraph (h), or if the claim, as allowed, has been paid in full or to the full extent of the assets the estate has available to pay it. The affidavit may be recorded in the office of the county recorder or filed in the Office of the Registrar of Titles for the county in which the real property is located. Except as provided in section 514.981, subdivision 6, when recorded or filed, the affidavit shall terminate the decedent's interest in real estate the decedent owned as a life tenant or a joint tenant with others. The affidavit shall: (1) be signed by the personal representative; (2) identify the decedent and the interest being terminated; (3) give recording information sufficient to identify the instrument that created the interest in real property being terminated; (4) legally describe the affected real property; (5) state that the personal representative has determined that neither the decedent nor any of the decedent's predeceased spouses received any medical assistance for which a claim could be filed under this section; (6) state that the decedent's estate has other assets sufficient to pay the claim, as presented, or that there is a written agreement between the personal representative and the claimant and the other owners or remaindermen or other joint tenants to satisfy the obligations imposed under this subdivision; and (7) state that the affidavit is being given to terminate the estate's interest under this subdivision, and any other contents as may be appropriate.

The recorder or registrar of titles shall accept the affidavit for recording or filing. The affidavit shall be effective as provided in this section and shall constitute notice even if it does not include recording information sufficient to identify the instrument creating the interest it terminates. The affidavit shall be conclusive evidence of the stated facts.

(j) The holder of a lien arising under subdivision 1c shall release the lien at the holder's expense against an interest terminated under paragraph (h) to the extent of the termination.

(k) If a lien arising under subdivision 1c is not released under paragraph (j), prior to closing the estate, the personal representative shall deed the interest subject to the lien to the remaindermen or surviving joint tenants as their interests may appear. Upon recording or filing, the deed shall work a merger of the recipient's life estate or joint tenancy interest, subject to the lien, into the remainder interest or interest the decedent and others owned jointly. The lien shall attach to and run with the property to the extent of the decedent's interest at the time of the decedent's death.

Sec. 2. Minnesota Statutes 2006, section 256B.15, subdivision 1i, is amended to read:

Subd. 1i. **Estates of persons receiving medical assistance and survived by others.** (a) For purposes of this subdivision, the person's estate consists of the person's probate estate and all of the person's interests in real property the person owned as a life tenant or a joint tenant at the time of the person's death and the person's legal title or interest at the time of the person's death in real property transferred to a beneficiary under a transfer on death deed under section 507.071, or in the proceeds from the subsequent sale of the person's interest in the transferred real property.

(b) Notwithstanding any law or rule to the contrary, this subdivision applies if a person received medical assistance for which a claim could be filed under this section but for the fact the person was survived by a spouse or by a person listed in subdivision 3, or if subdivision 4 applies to a claim arising under this section.

(c) The person's life estate or joint tenancy interests in real property not subject to a medical assistance lien under sections 514.980 to 514.985 on the date of the person's death shall not end upon death and shall continue as provided in this subdivision. The life estate in the estate shall be the portion of the interest in the property subject to the life estate that is equal to the life estate percentage factor for the life estate as listed in the Life Estate Mortality Table of the health care program's manual for a person who was the age of the medical assistance recipient on the date of the person's death. The joint tenancy interest in the estate shall be equal to the fractional interest the medical assistance recipient would have owned in the jointly held interest in the property had they and the other owners held title to the property as tenants in common on the date the medical assistance recipient died.

(d) The county agency shall file a claim in the estate under this section on behalf of the claimant who shall be the commissioner of human services, notwithstanding that the decedent is survived by a spouse or a person listed in subdivision 3. The claim, as allowed, shall not be paid by the estate and shall be disposed of as provided in this paragraph. The personal representative or the court shall make, execute, and deliver a lien in favor of the claimant on the decedent's interest in real property in the estate in the amount of the allowed claim on forms provided by the commissioner to the county agency filing the lien. The lien shall bear interest as provided under section 524.3-806, shall attach to the property it describes upon filing or recording, and shall remain a lien on the real property it describes for a period of 20 years from the date it is filed or recorded. The lien shall be a disposition of the claim sufficient to permit the estate to close.

(e) The state or county agency shall file or record the lien in the office of the county recorder or registrar of titles for each county in which any of the real property is located. The recorder or registrar of titles shall accept the lien for filing or recording. All recording or filing fees shall be paid by the Department of Human Services. The recorder or registrar of titles shall mail the recorded lien to the Department of Human Services. The lien need not be attested, certified, or acknowledged as a condition of recording or filing. Upon recording or filing of a lien against a life estate or a joint tenancy interest, the interest subject to the lien shall merge into the remainder interest or the interest the recipient and others owned jointly. The lien shall attach to and run with the property to the extent of the decedent's interest in the property at the time of the decedent's death as determined under this section.

(f) The department shall make no adjustment or recovery under the lien until after the decedent's spouse, if any, has died, and only at a time when the decedent has no surviving child described in subdivision 3. The estate, any owner of an interest in the property which is or may be subject to the lien, or any other interested party, may voluntarily pay off, settle, or otherwise satisfy the claim secured or to be secured by the lien at any time before or after the lien is filed or recorded. Such payoffs, settlements, and satisfactions shall be deemed to be voluntary repayments of past medical assistance payments for the benefit of the deceased recipient, and neither the process of settling the claim, the payment of the claim, or the acceptance of a payment shall constitute an adjustment or recovery that is prohibited under this subdivision.

(g) The lien under this subdivision may be enforced or foreclosed in the manner provided by law for the enforcement of judgment liens against real estate or by a foreclosure by action under chapter 581. When the lien is paid, satisfied, or otherwise discharged, the state or county agency shall prepare and file a release of lien at its own expense. No action to foreclose the lien shall be commenced unless the lien holder has first given 30 days' prior written notice to pay the lien to the owners and parties in possession of the property subject to the lien. The notice shall: (1) include the name, address, and telephone number of the lien holder; (2) describe the lien; (3) give the amount of the lien; (4) inform the owner or party in possession that payment of the lien in full must be made to the lien holder within 30 days after service of the notice or the lien holder may begin proceedings to foreclose the lien; and (5) be served by personal service, certified mail, return receipt requested, ordinary first class mail, or by publishing it once in a newspaper of general circulation in the county in which any part of the property is located. Service of the notice shall be complete upon mailing or publication.

Sec. 3. Minnesota Statutes 2006, section 272.12, is amended to read:

272.12 CONVEYANCES, TAXES PAID BEFORE RECORDING.

When:

- (a) a deed or other instrument conveying land,
- (b) a plat of any town site or addition thereto,
- (c) a survey required pursuant to section 508.47,
- (d) a condominium plat subject to chapter 515 or 515A or a declaration that contains such a plat, or
- (e) a common interest community plat subject to chapter 515B or a declaration that contains such a plat,

is presented to the county auditor for transfer, the auditor shall ascertain from the records if there be taxes delinquent upon the land described therein, or if it has been sold for taxes. An assignment of a sheriff's or referee's certificate of sale, when the certificate of sale describes real estate, and certificates of redemption from mortgage or lien foreclosure sales, when the certificate of redemption encompasses real estate and is issued to a junior creditor, are considered instruments conveying land for the purposes of this section and section 272.121. If there are taxes delinquent, the auditor shall certify to the same; and upon payment of such taxes, or in case no taxes are delinquent, shall transfer the land upon the books of the auditor's office, and note upon the instrument, over official signature, the words, "no delinquent taxes and transfer entered," or, if the land described has been sold or assigned to an actual purchaser for taxes, the words "paid by sale of land described within;" and, unless such statement is made upon such instrument, the county recorder or the registrar of titles shall refuse to receive or record the same; provided, that sheriff's or referees' certificates of sale on execution or foreclosure of a lien or mortgage, certificates of redemption from mortgage or lien foreclosure sales issued to the redeeming mortgagor or lienee, deeds of distribution made by a personal representative in probate proceedings, transfer on death deeds under section 507.071, decrees and judgments, receivers receipts, patents, and copies of town or statutory city plats, in case the original plat filed in the office of the county recorder has been lost or destroyed, and the instruments releasing, removing and discharging reversionary and forfeiture provisions affecting title to land and instruments releasing, removing or discharging easement rights in land or building or other restrictions, may be recorded without such certificate; and, provided that instruments conveying land and, as appurtenant thereto an easement over adjacent tract or tracts of land, may be recorded without such certificate as to the land covered by such easement; and provided further, that any instrument granting an easement made in favor of any public utility or pipe line for conveying gas, liquids or solids in suspension, in the nature of a right-of-way over, along, across or under a tract of land may be recorded without such certificate as to the land covered by such easement. Documents governing homeowners associations of condominiums, townhouses, common interest ownership communities, and other planned unit developments may be recorded without the auditor's certificate to the extent provided in section 515B.1-116(f).

A deed of distribution made by a personal representative in a probate proceeding, a decree, or a judgment that conveys land shall be presented to the county auditor, who shall transfer the land upon the books of the auditor's office and note upon the instrument, over official signature, the words, "transfer entered", and the instrument may then be recorded. A decree or judgment that affects title to land but does not convey land may be recorded without presentation to the auditor.

A violation of this section by the county recorder or the registrar of titles shall be a gross misdemeanor, and, in addition to the punishment therefor, the recorder or registrar shall be liable to the grantee of any instrument so recorded for the amount of any damages sustained.

When, as a condition to permitting the recording of deed or other instrument affecting the title to real estate previously forfeited to the state under the provisions of sections 281.16 to 281.25, county officials, after such real estate has been purchased or repurchased, have required the payment of taxes erroneously assumed to have accrued against such real estate after forfeiture and before the date of purchase or repurchase, the sum required to be so paid shall be refunded to the persons entitled thereto out of moneys in the funds in which the sum so paid was placed. Delinquent taxes are those taxes deemed delinquent under section 279.02.

Sec. 4. Minnesota Statutes 2006, section 287.22, is amended to read:

287.22 EXEMPTIONS.

The tax imposed by section 287.21 does not apply to:

(1) An executory contract for the sale of real property under which the purchaser is entitled to or does take possession of the real property, or any assignment or cancellation of the contract;

(2) A mortgage or an amendment, assignment, extension, partial release, or satisfaction of a mortgage;

(3) A will;

(4) A plat;

(5) A lease, amendment of lease, assignment of lease, or memorandum of lease;

(6) A deed, instrument, or writing in which the United States or any agency or instrumentality thereof is the grantor, assignor, transferor, conveyor, grantee, or assignee;

(7) A deed for a cemetery lot or lots;

(8) A deed of distribution by a personal representative;

(9) A deed to or from a co-owner partitioning their undivided interest in the same piece of real property;

(10) A deed or other instrument of conveyance issued pursuant to a permanent school fund land exchange under section 92.121 and related laws;

(11) A referee's or sheriff's certificate of sale in a mortgage or lien foreclosure sale;

(12) A referee's, sheriff's, or certificate holder's certificate of redemption from a mortgage or lien foreclosure sale issued to the redeeming mortgagor or lienee;

(13) A deed, instrument, or writing which grants, creates, modifies, or terminates an easement; ~~and~~

(14) A decree of marriage dissolution, as defined in section 287.01, subdivision 4, or a deed or other instrument between the parties to the dissolution made pursuant to the terms of the decree; and

(15) A transfer on death deed under section 507.071.

Sec. 5. **[507.071] TRANSFER ON DEATH DEEDS.**

Subdivision 1. **Definitions.** For the purposes of this section the following terms have the meanings given:

(a) "Beneficiary" or "grantee beneficiary" means a person or entity named as a grantee beneficiary in a transfer on death deed, including a successor grantee beneficiary.

(b) "County agency" means the county department or office designated to recover medical assistance benefits from the estates of decedents.

(c) "Grantor owner" means an owner named as a grantor in a transfer on death deed upon whose death the conveyance or transfer of the described real property is conditioned. Grantor owner does not include a spouse who joins in a transfer on death deed solely for the purpose of conveying or releasing statutory or other marital interests in the real property to be conveyed or transferred by the transfer on death deed.

(d) "Owner" means a person having an ownership or other interest in all or part of the real property to be conveyed or transferred by a transfer on death deed. Owner does not include a spouse who joins in a transfer on death deed solely for the purpose of conveying or releasing statutory or other marital interests in the real property to be conveyed or transferred by the transfer on death deed.

(e) "Recorded" means recorded in the office of the county recorder or registrar of titles, as appropriate for the real property described in the instrument to be recorded.

(f) "State agency" means the Department of Human Services or any successor agency.

(g) "Transfer on death deed" means a deed authorized under this section.

Subd. 2. **Effect of transfer on death deed.** A deed that conveys or assigns an interest in real property, including a mortgage, judgment, or any other lien on real property, to a grantee beneficiary and that expressly states that the deed is only effective on the death of one or more of the grantor owners, transfers the interest to the grantee beneficiary upon the death of the grantor owner upon whose death the conveyance or transfer is stated to be effective, but subject to the survivorship provisions and requirements of section 524.2-702. A transfer on death deed must comply with all provisions of Minnesota law applicable to deeds of real property including, but not limited to, the provisions of sections 507.02, 507.24, 507.34, 508.48, and 508A.48.

Subd. 3. **Rights of creditors and rights of the state and county under sections 246.53, 256B.15, 256D.16, 261.04, and 514.981.** The interest transferred to a beneficiary under a transfer on death deed after the death of a grantor owner is transferred subject to all effective conveyances, assignments, contracts, mortgages, deeds of trust, liens, security pledges, judgments, tax liens, and other encumbrances made by the grantor owner or to which the property was subject during the grantor owner's lifetime, including but not limited to, any claim by a surviving spouse or any claim or lien by the state or county agency authorized by section 246.53, 256B.15, 256D.16, 261.04, or 514.981, if other assets of the deceased owner's estate are insufficient to pay the amount of any such claim. A beneficiary to whom the interest is transferred after the death of a grantor owner shall be liable to account to the state or county agency with a claim or lien authorized by section 246.53, 256B.15, 256D.16, 261.04, or 514.981, to

the extent necessary to discharge any such claim remaining unpaid after application of the assets of the deceased grantor owner's estate, but such liability shall be limited to the value of the interest transferred to the beneficiary. To establish compliance with this subdivision and subdivision 23, the beneficiary must record a clearance certificate issued in accordance with subdivision 23 in each county in which the real property described in the transfer on death deed is located.

Subd. 4. Multiple grantee beneficiaries. A transfer on death deed may designate multiple grantee beneficiaries to take title as joint tenants, as tenants in common or in any other form of ownership or tenancy that is valid under the laws of this state.

Subd. 5. Successor grantee beneficiaries. A transfer on death deed may designate one or more successor grantee beneficiaries or a class of successor grantee beneficiaries, or both. If the transfer on death deed designates successor grantee beneficiaries or a class of successor grantee beneficiaries, the deed shall state the condition under which the interest of the successor grantee beneficiaries would vest.

Subd. 6. Multiple joint tenant grantors. If an interest in real property is owned as joint tenants, a transfer on death deed executed by all of the owners that conveys an interest in real property to one or more grantee beneficiaries transfers the interest to the grantee beneficiary or beneficiaries effective only after the death of the last surviving grantor owner. If the last surviving joint tenant owner did not execute the transfer on death deed, the deed is ineffective to transfer any interest and the deed is void. An estate in joint tenancy is not severed or affected by the subsequent execution of a transfer on death deed and the right of a surviving joint tenant owner who did not execute the transfer on death deed shall prevail over a grantee beneficiary named in a transfer on death deed unless the deed specifically states that it severs the joint tenancy ownership.

Subd. 7. Execution by attorney-in-fact. A transfer on death deed may be executed by a duly appointed attorney-in-fact pursuant to a power of attorney which grants the attorney-in-fact the authority to execute deeds.

Subd. 8. Recording requirements and authorization. A transfer on death deed is valid if the deed is recorded in a county in which at least a part of the real property described in the deed is located and is recorded before the death of the grantor owner upon whose death the conveyance or transfer is effective. A transfer on death deed is not effective for purposes of section 507.34, 508.47, or 508A.47 until the deed is recorded in the county in which the real property is located. When a transfer on death deed is presented for recording, no certification by the county auditor as to transfer of ownership and current and delinquent taxes shall be required or made and the transfer on death deed shall not be required to be accompanied by a certificate of real estate value. A transfer on death deed that otherwise satisfies all statutory requirements for recording may be recorded and shall be accepted for recording in the county in which the property described in the deed is located. If any part of the property described in the transfer on death deed is registered property, the registrar of titles shall accept the transfer on death deed for recording only if at least one of the grantors who executes the transfer on death deed appears of record to have an ownership interest in the property described in the deed. No certification or approval of a transfer on death deed shall be required of the examiner of titles prior to recording of the deed in the office of the registrar of titles.

Subd. 9. Deed to trustee or other entity. A transfer on death deed may transfer an interest in real property to the trustee of an inter vivos trust even if the trust is revocable, to the trustee of a testamentary trust or to any other entity legally qualified to hold title to real property under the laws of this state.

Subd. 10. Revocation or modification of transfer on death deed. (a) A transfer on death deed may be revoked at any time by the grantor owner or, if there is more than one grantor owner, by any of the grantor owners. To be effective, the revocation must be recorded in the county in which at least a part of the real property is located before the death of the grantor owner or owners who execute the revocation. The revocation is not effective for purposes of section 507.34, 508.47, or 508A.47 until the revocation is recorded in the county in which the real property is located. Subject to subdivision 6, if the real property is owned as joint tenants and if the revocation is not executed by all of the grantor owners, the revocation is not effective unless executed by the last surviving grantor owner.

(b) If a grantor owner conveys to a third party, subsequent to the recording of the transfer on death deed, by means other than a transfer on death deed, all or a part of such grantor owner's interest in the property described in the transfer on death deed, no transfer of the conveyed interest shall occur on such grantor owner's death and the transfer on death deed shall be ineffective as to the conveyed or transferred interests, but the transfer on death deed remains effective with respect to the conveyance or transfer on death of any other interests described in the transfer on death deed owned by the grantor owner at the time of the grantor owner's death.

(c) A transfer on death deed is a "governing instrument" within the meaning of section 524.2-804 and, except as may otherwise be specifically provided for in the transfer on death deed, is subject to the same provisions as to revocation, revival, and nonrevocation set forth in section 524.2-804.

Subd. 11. **Antilapse; deceased beneficiary; words of survivorship.** (a) If a grantee beneficiary who is a grandparent or lineal descendant of a grandparent of the grantor owner fails to survive the grantor owner, the issue of the deceased grantee beneficiary who survive the grantor owner take in place of the deceased grantee beneficiary. If they are all of the same degree of kinship to the deceased grantee beneficiary, they take equally. If they are of unequal degree, those of more remote degree take by right of representation.

(b) For the purposes of this subdivision, words of survivorship such as, in a conveyance to an individual, "if he or she survives me," or, in a class gift, to "my surviving children," are a sufficient indication of intent to condition the conveyance or transfer upon the beneficiary surviving the grantor owner.

Subd. 12. **Lapse.** If all beneficiaries and all successor beneficiaries, if any, designated in a transfer on death deed, and also all successor beneficiaries who would take under the antilapse provisions of subdivision 11, fail to survive the grantor owner or the last survivor of the grantor owners if there are multiple grantor owners, if the beneficiary is a trust which has been revoked prior to the grantor owner's death, or if the beneficiary is an entity no longer in existence at the grantor owner's death, no transfer shall occur and the transfer on death deed is void.

Subd. 13. **Multiple transfer on death deeds.** If a grantor owner executes and records more than one transfer on death deed conveying the same interest in real property or a greater interest in the real property, the transfer on death deed that has the latest acknowledgment date and that is recorded before the death of the grantor owner upon whose death the conveyance or transfer is conditioned is the effective transfer on death deed and all other transfer on death deeds, if any, executed by the grantor owner or the grantor owners are ineffective to transfer any interest and are void.

Subd. 14. **Nonademption; unpaid proceeds of sale, condemnation, or insurance; sale by conservator or guardian.** If at the time of the death of the grantor owner upon whose death the conveyance or transfer is stated to be effective, the grantor owner did not own a part or all of the real property described in the transfer on death deed, no conveyance or transfer to the beneficiary of the nonowned part of the real property shall occur upon the death of the grantor owner and the transfer on death deed is void as to the nonowned part of the real property, but the beneficiary shall have the same rights to unpaid proceeds of sale, condemnation or insurance, and, if sold by a conservator or guardian of the grantor owner during the grantor owner's lifetime, the same rights to a general pecuniary devise, as that of a specific devisee as set forth in section 524.2-606.

Subd. 15. **Nonexoneration.** Except as otherwise provided in subdivision 3, a conveyance or transfer under a transfer on death deed passes the described property subject to any mortgage or security interest existing at the date of death of the grantor owner, without right of exoneration, regardless of any statutory obligations to pay the grantor owner's debts upon death and regardless of a general directive in the grantor owner's will to pay debts.

Subd. 16. **Disclaimer by beneficiary.** A grantee beneficiary's interest under a transfer on death deed may be disclaimed as provided in section 501B.86, or as otherwise provided by law.

Subd. 17. **Effect on other conveyances.** This section does not prohibit other methods of conveying property that are permitted by law and that have the effect of postponing ownership or enjoyment of an interest in real property until the death of the owner. This section does not invalidate any deed that is not a transfer on death deed and that is otherwise effective to convey title to the interests and estates described in the deed that is not recorded until after the death of the owner.

Subd. 18. **Notice, consent, and delivery not required.** The signature, consent or agreement of, or notice to, a grantee beneficiary under a transfer on death deed, or delivery of the transfer on death deed to the grantee beneficiary, is not required for any purpose during the lifetime of the grantor owner.

Subd. 19. **Nonrevocation by will.** A transfer on death deed that is executed, acknowledged, and recorded in accordance with this section is not revoked by the provisions of a will.

Subd. 20. **Proof of survivorship and clearance from public assistance claims and liens; recording.** An affidavit of identity and survivorship with a certified copy of a record of death as an attachment may be combined with a clearance certificate under this section and the combined documents may be recorded separately or as one document in each county in which the real estate described in the clearance certificate is located. The affidavit, record of death, and clearance certificate, whether combined or separate, shall be prima facie evidence of the facts stated in each, and the registrar of titles may rely on the statements to transfer title to the property described in the clearance certificate.

Subd. 21. **After-acquired property.** Except as provided in this subdivision, a transfer on death deed is not effective to transfer any interest in real property acquired by a grantor owner subsequent to the date of signing of a transfer on death deed. A grantor owner may provide by specific language in a transfer on death deed that the transfer on death deed will apply to any interest in the described property acquired by the grantor owner after the signing or recording of the deed.

Subd. 22. **Anticipatory alienation prohibited.** The interest of a grantee beneficiary under a transfer on death deed which has not yet become effective is not subject to alienation; assignment; encumbrance; appointment or anticipation by the beneficiary; garnishment; attachment; execution or bankruptcy proceedings; claims for alimony, support, or maintenance; payment of other obligations by any person against the beneficiary; or any other transfer, voluntary or involuntary, by or from any beneficiary.

Subd. 23. **Clearance for public assistance claims and liens.** Any person claiming an interest in real property conveyed or transferred by a transfer on death deed, or the person's attorney or other agent, may apply to the county agency in the county in which the real property is located for a clearance certificate for the real property described in the transfer on death deed. The application for a clearance certificate and the clearance certificate must contain the legal description of each parcel of property covered by the clearance certificate. The county agency shall provide a sufficient number of clearance certificates to allow a clearance certificate to be recorded in each county in which the real property described in the transfer on death deed is located. The real property described in the clearance certificate is bound by any conditions or other requirements imposed by the county agency as specified in the clearance certificate. If the real property is registered property, a new certificate of title must not be issued until the clearance certificate is recorded. If the clearance certificate shows the continuation of a medical assistance claim or lien after issuance of the clearance certificate, the real property remains subject to the claim or lien. If the real property is registered property, the clearance certificate must be carried forward as a memorial in any new certificate of title. The application shall contain the same information and shall be submitted, processed, and resolved in the same manner and on the same terms and conditions as provided in section 525.313 for a clearance certificate in a decree of descent proceeding, except that a copy of a notice of hearing does not have to accompany the application. The application may contain a statement that the applicant, after reasonably diligent inquiry, is not aware of the existence of a predeceased spouse or the existence of a claim which could be recovered under section 246.53,

256B.15, 256D.16, 261.04, or 514.981. If the county agency determines that a claim or lien exists under section 246.53, 256B.15, 256D.16, 261.04, or 514.981, the provisions of section 525.313 shall apply to collection, compromise, and settlement of the claim or lien. A person claiming an interest in real property transferred or conveyed by a transfer on death deed may petition or move the district court, as appropriate, in the county in which the real property is located or in the county in which a probate proceeding affecting the estate of the grantor of the transfer on death deed is pending, for an order allowing sale of the real property free and clear of any public assistance claim or lien but subject to disposition of the sale proceeds as provided in section 525.313. On a showing of good cause and subject to such notice as the court may require, the court without hearing may issue an order allowing the sale free and clear of any public assistance claim or lien on such terms and conditions as the court deems advisable to protect the interests of the state or county agency.

Subd. 24. **Form of transfer on death deed.** A transfer on death deed may be substantially in the following form:

~~(b)(1) Within three months after: (i) the date of the first publication of the notice; or (ii) June 16, 1989, whichever is later, the personal representative may determine, in the personal representative's discretion, that it is or is not advisable to conduct a reasonably diligent search for creditors of the decedent who are either not known or not identified. If the personal representative determines that a reasonably diligent search is advisable, the personal representative shall conduct the search.~~

~~(2) If the notice is first published after June 16, 1989, The personal representative shall, within three months after the date of the first publication of the notice, serve a copy of the notice upon each then known and identified creditor in the manner provided in paragraph (c). Notice If the decedent or a predeceased spouse of the decedent received assistance for which a claim could be filed under section 246.53, 256B.15, 256D.16, or 261.04, notice to the commissioner of human services must be given under paragraph (d) does not satisfy the notice requirements instead of under this paragraph and or paragraph (c). If notice was first published under the applicable provisions of law under the direction of the court administrator before June 16, 1989, and if a personal representative is empowered to act at any time after June 16, 1989, the personal representative shall, within three months after June 16, 1989, serve upon the then known and identified creditors in the manner provided in paragraph (c) a copy of the notice as published, together with a supplementary notice requiring each of the creditors to present any claim within one month after the date of the service of the notice or be forever barred.~~

~~(3) Under this section, A creditor is "known" if: (i) the personal representative knows that the creditor has asserted a claim that arose during the decedent's life against either the decedent or the decedent's estate; ~~or~~ (ii) the creditor has asserted a claim that arose during the decedent's life and the fact is clearly disclosed in accessible financial records known and available to the personal representative; or (iii) the claim of the creditor would be revealed by a reasonably diligent search for creditors of the decedent in accessible financial records known and available to the personal representative. Under this section, a creditor is "identified" if the personal representative's knowledge of the name and address of the creditor will permit service of notice to be made under paragraph (c).~~

(c) ~~Unless the claim has already been presented to the personal representative or paid, the personal representative shall serve a copy of any notice and any supplementary~~ the notice required by paragraph (b), ~~clause (1) or (2), upon each creditor of the decedent who is then known to the personal representative and identified, except a creditor whose claim has either been presented to the personal representative or paid,~~ either by delivery of a copy of the required notice to the creditor, or by mailing a copy of the notice to the creditor by certified, registered, or ordinary first class mail addressed to the creditor at the creditor's office or place of residence.

(d)(1) Effective for decedents dying on or after July 1, 1997, if the decedent or a predeceased spouse of the decedent received assistance for which a claim could be filed under section 246.53, 256B.15, 256D.16, or 261.04, the personal representative or the attorney for the personal representative shall serve the commissioner of human services with notice in the manner prescribed in paragraph (c) as soon as practicable after the appointment of the personal representative. The notice must state the decedent's full name, date of birth, and Social Security number and, to the extent then known after making a reasonably diligent inquiry, the full name, date of birth, and Social Security number for each of the decedent's predeceased spouses. The notice may also contain a statement that, after making a reasonably diligent inquiry, the personal representative has determined that the decedent did not have any predeceased spouses or that the personal representative has been unable to determine one or more of the previous items of information for a predeceased spouse of the decedent. A copy of the notice to creditors must be attached to and be a part of the notice to the commissioner.

(2) Notwithstanding a will or other instrument or law to the contrary, except as allowed in this paragraph, no property subject to administration by the estate may be distributed by the estate or the personal representative until 70 days after the date the notice is served on the commissioner as provided in paragraph (c), unless the local agency consents as provided for in clause (6). This restriction on distribution does not apply to the personal representative's sale of real or personal property, but does apply to the net proceeds the estate receives from these sales. The personal representative, or any person with personal knowledge of the facts, may provide an affidavit containing the description of any real or personal property affected by this paragraph and stating facts showing compliance with this paragraph. If the affidavit describes real property, it may be filed or recorded in the office of the county recorder or registrar of titles for the county where the real property is located. This paragraph does not apply to proceedings under sections 524.3-1203 and 525.31, or when a duly authorized agent of a county is acting as the personal representative of the estate.

(3) At any time before an order or decree is entered under section 524.3-1001 or 524.3-1002, or a closing statement is filed under section 524.3-1003, the personal representative or the attorney for the personal representative may serve an amended notice on the commissioner to add variations or other names of the decedent or a predeceased spouse named in the notice, the name of a predeceased spouse omitted from the notice, to add or correct the date of birth or Social Security number of a decedent or predeceased spouse named in the notice, or to correct any other deficiency in a prior notice. The amended notice must state the decedent's name, date of birth, and Social Security number, the case name, case number, and district court in which the estate is pending, and the date the notice being amended was served on the commissioner. If the amendment adds the name of a predeceased spouse omitted from the notice, it must also state that spouse's full name, date of birth, and Social Security number. The amended notice must be served on the commissioner in the same manner as the original notice. Upon service, the amended notice relates back to and is effective from the date the notice it amends was served, and the time for filing claims arising under section 246.53, 256B.15, 256D.16 or 261.04 is extended by 60 days from the date of service of the amended notice. Claims filed during the 60-day period are undischarged and unbarred claims, may be prosecuted by the entities entitled to file those claims in accordance with section 524.3-1004, and the limitations in section 524.3-1006 do not apply. The personal representative or any person with personal knowledge of the facts may provide and file or record an affidavit in the same manner as provided for in clause (1).

(4) Within one year after the date an order or decree is entered under section 524.3-1001 or 524.3-1002 or a closing statement is filed under section 524.3-1003, any person who has an interest in property that was subject to administration by the estate may serve an amended notice on the commissioner to add variations or other names of

the decedent or a predeceased spouse named in the notice, the name of a predeceased spouse omitted from the notice, to add or correct the date of birth or Social Security number of a decedent or predeceased spouse named in the notice, or to correct any other deficiency in a prior notice. The amended notice must be served on the commissioner in the same manner as the original notice and must contain the information required for amendments under clause (3). If the amendment adds the name of a predeceased spouse omitted from the notice, it must also state that spouse's full name, date of birth, and Social Security number. Upon service, the amended notice relates back to and is effective from the date the notice it amends was served. If the amended notice adds the name of an omitted predeceased spouse or adds or corrects the Social Security number or date of birth of the decedent or a predeceased spouse already named in the notice, then, notwithstanding any other laws to the contrary, claims against the decedent's estate on account of those persons resulting from the amendment and arising under section 246.53, 256B.15, 256D.16, or 261.04 are undischarged and unbarred claims, may be prosecuted by the entities entitled to file those claims in accordance with section 524.3-1004, and the limitations in section 524.3-1006 do not apply. The person filing the amendment or any other person with personal knowledge of the facts may provide and file or record an affidavit describing affected real or personal property in the same manner as clause (1).

(5) After one year from the date an order or decree is entered under section 524.3-1001 or 524.3-1002, or a closing statement is filed under section 524.3-1003, no error, omission, or defect of any kind in the notice to the commissioner required under this paragraph or in the process of service of the notice on the commissioner, or the failure to serve the commissioner with notice as required by this paragraph, makes any distribution of property by a personal representative void or voidable. The distributee's title to the distributed property shall be free of any claims based upon a failure to comply with this paragraph.

(6) The local agency may consent to a personal representative's request to distribute property subject to administration by the estate to distributees during the 70-day period after service of notice on the commissioner. The local agency may grant or deny the request in whole or in part and may attach conditions to its consent as it deems appropriate. When the local agency consents to a distribution, it shall give the estate a written certificate evidencing its consent to the early distribution of assets at no cost. The certificate must include the name, case number, and district court in which the estate is pending, the name of the local agency, describe the specific real or personal property to which the consent applies, state that the local agency consents to the distribution of the specific property described in the consent during the 70-day period following service of the notice on the commissioner, state that the consent is unconditional or list all of the terms and conditions of the consent, be dated, and may include other contents as may be appropriate. The certificate must be signed by the director of the local agency or the director's designees and is effective as of the date it is dated unless it provides otherwise. The signature of the director or the director's designee does not require any acknowledgment. The certificate shall be prima facie evidence of the facts it states, may be attached to or combined with a deed or any other instrument of conveyance and, when so attached or combined, shall constitute a single instrument. If the certificate describes real property, it shall be accepted for recording or filing by the county recorder or registrar of titles in the county in which the property is located. If the certificate describes real property and is not attached to or combined with a deed or other instrument of conveyance, it shall be accepted for recording or filing by the county recorder or registrar of titles in the county in which the property is located. The certificate constitutes a waiver of the 70-day period provided for in clause (2) with respect to the property it describes and is prima facie evidence of service of notice on the commissioner. The certificate is not a waiver or relinquishment of any claims arising under section 246.53, 256B.15, 256D.16, or 261.04, and does not otherwise constitute a waiver of any of the personal representative's duties under this paragraph. Distributees who receive property pursuant to a consent to an early distribution shall remain liable to creditors of the estate as provided for by law.

(7) All affidavits provided for under this paragraph:

(i) shall be provided by persons who have personal knowledge of the facts stated in the affidavit;

(ii) may be filed or recorded in the office of the county recorder or registrar of titles in the county in which the real property they describe is located for the purpose of establishing compliance with the requirements of this paragraph; and

(iii) are prima facie evidence of the facts stated in the affidavit.

(8) This paragraph applies to the estates of decedents dying on or after July 1, 1997. Clause (5) also applies with respect to all notices served on the commissioner of human services before July 1, 1997, under Laws 1996, chapter 451, article 2, section 55. All notices served on the commissioner before July 1, 1997, pursuant to Laws 1996, chapter 451, article 2, section 55, shall be deemed to be legally sufficient for the purposes for which they were intended, notwithstanding any errors, omissions or other defects.

Sec. 4. Minnesota Statutes 2006, section 524.3-803, is amended to read:

524.3-803 LIMITATIONS ON PRESENTATION OF CLAIMS.

(a) All claims as defined in section 524.1-201(6), against a decedent's estate which arose before the death of the decedent, including claims of the state and any subdivision thereof, whether due or to become due, absolute or contingent, liquidated or unliquidated, if not barred earlier by other statute of limitations, are barred against the estate, the personal representative, and the heirs and devisees of the decedent, unless presented as follows:

(1) a claim based on a contract with the personal representative, within four months after performance by the personal representative is due;

(2) any other claim, within four months after it arises.

(c) Nothing in this section affects or prevents:

(1) any proceeding to enforce any mortgage, pledge, or other lien upon property of the estate;

(2) any proceeding to establish liability of the decedent or the personal representative for which there is protection by liability insurance, to the limits of the insurance protection only;

(3) the presentment and payment at any time within one year after the decedent's death of any claim arising before the death of the decedent that is referred to in section 524.3-715, clause (18), although the same may be otherwise barred under this section; or

(4) the presentment and payment at any time before a petition is filed in compliance with section 524.3-1001 or 524.3-1002 or a closing statement is filed under section 524.3-1003, of:

(i) any claim arising after the death of the decedent that is referred to in section 524.3-715, clause (18), although the same may be otherwise barred hereunder;

(ii) any other claim, including claims subject to clause (3), which would otherwise be barred hereunder, upon allowance by the court upon petition of the personal representative or the claimant for cause shown on notice and hearing as the court may direct.

Information About the Foreclosure Process

You do not need to move at the time of the sheriff's sale. After the sheriff's sale you have the right to "redeem." Redeem means that you pay off the entire loan amount plus fees to keep your house. You can keep living in your home for a period of time. This is called a "redemption period." The redemption period is [insert number of months] months after the sheriff's sale. This redemption period is your chance to try and sell your home or refinance it with a different loan. You can also pay the redemption amount with any other funds you have available. If you do not, the person or company that bid on your home at the sheriff's sale has the right to file an eviction against you in district court."

The mortgage foreclosure does not change the terms of your lease. You and your landlord must continue to follow the terms of your lease, including the rights and responsibilities of you and your landlord. You must keep paying rent unless you have a legal reason to withhold it. Your landlord must keep the property repaired. Utilities must be paid under the terms of your lease or under state law.

Moving out of the property early might be a violation of your lease. The date of the sheriff's foreclosure sale is in the attached foreclosure notice. In most cases you do not need to move from the property before the sheriff's foreclosure sale. Read your lease to see if it says anything about foreclosure and about the rights you may have if the property is in foreclosure. If you have a month-to-month lease, the foreclosure notice does not change the rules for ending your lease. You and your landlord must still give legal notice to end your lease.

In most cases, your landlord has six months after the date of the sheriff's foreclosure sale to pay off the mortgage. This is called the "redemption period." Read the attached foreclosure notice to determine the length of the redemption period. You cannot be asked to move during the redemption period except for lease violations or if your lease expires during the redemption period. If your landlord stops the foreclosure, you may not have to move from the property. If your landlord does not stop the foreclosure, there will be a new owner of the property at the end of the redemption period.

The new owner may have the legal right to ask you to move even if your lease is not over. But, the new owner must still give you a written notice stating that the new owner wants you to move.

Do not wait to get information about foreclosure. Mortgage foreclosure is a complicated process. It is important you learn about your rights as a renter when there is a mortgage foreclosure. You may have fewer options if you wait too long. There are government agencies and nonprofit organizations that you may contact for helpful information about the foreclosure process. For the name and telephone number of an organization near you, please call the legal aid office or bar association office in your county. You also can find information on tenant rights at HOME Line at (866) 866-3546 and Law Help Minnesota at <http://www.LawHelpMN.org>. Subd. 4. **Affidavit.** Any person may establish compliance with or inapplicability of this section by recording, with the county recorder or registrar of titles, an affidavit by a person having knowledge of the facts, stating that the notice required by this section has been delivered in compliance with this section. The affidavit and a certified copy of a recorded affidavit is prima facie evidence of the facts stated in the affidavit. The affidavit may be recorded regarding any foreclosure sale, including foreclosure sales that occurred prior to August 1, 2008, and may be recorded separately or as part of the record of a foreclosure.

Subd. 5. Validation of foreclosure sales; remedy for violation. (a) No mortgage foreclosure sale under this chapter is invalid because of failure to comply with this section.

(b) A person who violates this section is liable for \$500 to the lessee of the mortgagor at the time the notice should have been served. A person is not liable in an action for a violation of this section if the person shows by a preponderance of the evidence that the violation was not intentional and resulted from a bona fide error and the person adopted and maintained reasonable procedures to avoid the error. A plaintiff does not have cause of action if the defendant has complied with section 580.03.

~~(5)~~ (6) the time allowed by law for redemption, provided that if the redemption period stated in the certificate is five weeks and a longer redemption period was stated in the published notice of foreclosure sale, a certified copy of the court order entered under section 582.032, authorizing reduction of the redemption period to five weeks, must be attached to the certificate.

A certificate which states a five-week redemption period must be recorded within ten days after the sale; any other certificate must be recorded within 20 days after the sale. When so recorded, upon expiration of the time for redemption, the certificate shall operate as a conveyance to the purchaser or the purchaser's assignee of all the right, title, and interest of the mortgagor in and to the premises named therein at the date of such mortgage, without any other conveyance. A certificate must not contain a time allowed for redemption that is less than the time specified by section 580.23, 582.032, or 582.32, whichever applies.

EFFECTIVE DATE. This section is effective August 1, 2008, and applies to sheriff's sales conducted on or after that date.

Sec. 15. Minnesota Statutes 2006, section 580.23, subdivision 1, is amended to read:

Subdivision 1. **Six-month redemption period.** (a) When lands have been sold in conformity with the preceding sections of this chapter, the mortgagor, the mortgagor's personal representatives or assigns, within six months after such sale, except as otherwise provided in subdivision 2 or section 582.032 or 582.32, may redeem such lands, as hereinafter provided, by paying the sum of money for which the same were sold, with interest from the time of sale at the rate provided to be paid on the mortgage debt as stated in the certificate of sale and, if no rate be provided in the ~~mortgage note certificate of sale~~, at the rate of six percent per annum, together with any further sums which may be payable as provided in sections 582.03 and 582.031.

(b) Delivery of funds and documents for redemption must be made at the normal place of business of the recipient, on days other than Sunday, Saturday, and legal holidays, between the hours of 9:00 a.m. and 4:00 p.m.

EFFECTIVE DATE. Paragraph (a) of this section is effective August 1, 2008, and applies to sheriff's sales conducted on or after that date. Paragraph (b) of this section is effective August 1, 2008, and applies to redemptions made on or after that date. Paragraph (c) of this section is effective the day following final enactment.

Sec. 16. Minnesota Statutes 2007 Supplement, section 580.24, is amended to read:

580.24 REDEMPTION BY CREDITOR.

(a) If no redemption is made by the mortgagor, the mortgagor's personal representatives or assigns, the most senior creditor having a legal or equitable lien upon the mortgaged premises, or some part of it, subsequent to the foreclosed mortgage, may redeem within seven days after the expiration of the redemption period determined under section 580.23 or 582.032, whichever is applicable; and each subsequent creditor having a lien may redeem, in the order of priority of their respective liens, within seven days after the time allowed the prior lienholder by paying the amount required under this section. However, no creditor is entitled to redeem unless, ~~within one week or more~~ prior to the expiration of the period allowed for redemption by the mortgagor, the creditor:

(1) records with each county recorder and registrar of titles where the foreclosed mortgage is recorded a notice of the creditor's intention to redeem;

(2) records ~~in each office~~ with each county recorder and registrar of titles where the notice of the creditor's intention to redeem is recorded all documents necessary to create the lien on the mortgaged premises and to evidence the creditor's ownership of the lien, including a copy of any money judgment necessary to create the lien; and

The sheriff may charge a fee of \$100 for the documents delivered to the sheriff relating to each lien. The sheriff shall maintain copies of documents delivered to the sheriff for a period of six months after the end of the mortgagor's redemption period.

(b) Saturdays, Sundays, legal holidays, and the first day following the expiration of the prior redemption period must be included in computing the seven-day redemption period. When the last day of the period falls on Saturday, Sunday, or a legal holiday, that day must be omitted from the computation. The order of redemption by judgment creditors subsequent to the foreclosed mortgage shall be determined by the order in which their judgments were entered as memorials on the certificate of title for the foreclosed premises or docketed in the office of the district court administrator if the property is not registered under chapter 508 or 508A, regardless of the homestead status of the property. All mechanic's lienholders who have coordinate liens shall have one combined seven-day period to redeem.

(c) The amount required to redeem from the holder of the sheriff's certificate of sale is the amount required under section 580.23. The amount required to redeem from a person holding a certificate of redemption is:

(2) interest on that amount to the date of redemption; plus

(3) the amount claimed due on the person's lien, as shown on the affidavit under section 580.25, clause (3).

The amount required to redeem may be paid to the holder of the sheriff's certificate of sale or the certificate of redemption, as the case may be, or to the sheriff for the holder.

EFFECTIVE DATE. This section is effective August 1, 2008, and applies to redemptions by creditors in which the mortgagor's redemption period expires on or after August 8, 2008.

(2) a copy of any recorded assignment necessary to evidence the person's ownership of the lien, ~~certified by the officer with custody of the assignment, or the original of each instrument of assignment with the certificate of record endorsed on it.~~ If the redemption is under an assignment of a judgment, the assignment shall be filed in the court entering the judgment, as provided by law, and the person so redeeming shall produce a ~~certified~~ copy of it and of the record of its filing, and the copy of the docket shall show that the proper entry was made upon the docket. No further evidence of the assignment of the judgment is required unless the mortgaged premises or part of it is registered property, in which case the judgment and all assignments of the judgment must be entered as a memorial upon the certificate of title to the mortgaged premises and ~~the original~~ a copy of the judgment and each assignment with the certificate of record endorsed on it, ~~or a copy certified by the registrar of titles,~~ must be produced; and

If redemption is made to the sheriff, the sheriff may charge a fee of \$250 for issuing the certificate of redemption and any related service. No other fee may be charged by the sheriff for a redemption.

Within 24 hours after a redemption is made, the person redeeming shall cause the documents so required to be produced to be ~~filed~~ recorded with the county recorder, or registrar of titles, who may receive fees as prescribed in section 357.18 or 508.82. If the redemption is made at any place other than the county seat, it is sufficient forthwith to deposit the documents in the nearest post office, addressed to the recorder or registrar of titles, with the postage prepaid. A person recording documents produced for redemption shall, on the same day, deliver copies of the documents to the sheriff for public inspection. The sheriff may receive a fee of \$20 for the documents delivered following a redemption. The sheriff shall note the date of delivery on the documents and shall maintain for public inspection all documents delivered to the sheriff for a period of six months after the end of the mortgagor's redemption period.

EFFECTIVE DATE. This section is effective August 1, 2008, and applies to redemptions made on or after that date.

Sec. 18. Minnesota Statutes 2006, section 580.28, is amended to read:

580.28 ACTION TO SET ASIDE MORTGAGE; FORECLOSURE; REDEMPTION.

When an action is brought wherein it is claimed that any mortgage as to the plaintiff or person for whose benefit the action is brought is fraudulent or void, or has been paid or discharged, in whole or in part, or the relative priority or the validity of liens is disputed, if such mortgage has been foreclosed by advertisement, and the time for redemption from the foreclosure sale will expire before final judgment in such action, the plaintiff or beneficiary having the right to redeem, for the purpose of saving such right in case the action fails, may deposit with the sheriff before the time of redemption expires the amount for which the mortgaged premises were sold, with interest thereon to the time of deposit, together with a bond to the holder of the sheriff's certificate of sale, in an amount and with sureties to be approved by the sheriff, conditioned to pay all interest that may accrue or be allowed on such deposit if the action fail. The person shall, in writing, notify such sheriff that the person claims the mortgage to be fraudulent or void, or to have been paid or discharged, in whole or in part, as the case may be, and that such action is pending, and direct the sheriff to retain such money and bond until final judgment. In case such action fails, such deposit shall operate as a redemption of the premises from such foreclosure sale, and entitle the plaintiff to a certificate thereof. Such foreclosure, deposit, bond, and notice shall be brought to the attention of the court by

supplemental complaint in the action, and the judgment shall determine the validity of the foreclosure sale, and the rights of the parties to the moneys and bond so deposited, which shall be paid and delivered by the sheriff as directed by such judgment upon delivery to the sheriff of a certified copy thereof. The remedy herein provided shall be in addition to other remedies now existing.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 19. Minnesota Statutes 2006, section 580.30, is amended to read:

580.30 MORTGAGES, WHEN REINSTATED.

If the holder of the mortgage or the holder's legal representative fails to respond to the sheriff's request within seven days of the date of the request, the sheriff shall postpone the sheriff's sale and the sheriff shall announce at the sheriff's sale the postponement of the sale. The postponement does not need to be published. If the request by the sheriff is made seven days or less before the sheriff's sale, the holder of the mortgage or the holder's representative shall make a good faith effort to respond to the sheriff before the sheriff's sale, but the sheriff may conduct the sheriff's sale without a response from the holder of the mortgage or the holder's legal representative.

EFFECTIVE DATE. This section is effective August 1, 2008, and applies to sheriff's sales scheduled to occur on or after that date.

Sec. 20. Minnesota Statutes 2006, section 581.10, is amended to read:

Creditors having a lien may redeem in the order and manner specified in section 580.24.

EFFECTIVE DATE. This section is effective August 1, 2008, and applies to redemptions from sheriff's sales conducted on or after that date.

Sec. 21. Minnesota Statutes 2006, section 582.03, is amended to read:

582.03 PURCHASER MAY PAY TAXES AND OTHER EXPENSES DUE.

Subdivision 1. Allowable costs collectable upon redemption. ~~The purchaser at any holder of any sheriff's certificate of sale, upon from a foreclosure by advertisement or action of a mortgage or lien or execution or at any judicial sale, or the holder of any certificate of redemption as a junior creditor during the period of redemption, may pay and claim the following on redemption: any taxes or assessments on which any penalty would otherwise accrue, and may pay the premium upon any policy of insurance procured in renewal of any expiring policy upon any costs of a hazard insurance policy for the holder's interest in the mortgaged premises incurred for the period of holding the sheriff's certificate, any costs incurred when an order to reduce a mortgagor's redemption period under section 582.032 is entered, any fees paid to the county recorder, registrar of titles, or sheriff to obtain or record the certificates of sale or redemption or notices of intention to redeem, any reasonable fees paid to licensed real estate brokers for broker price opinions or to licensed appraisers for appraisals, any deed tax paid to file a certificate of redemption, reasonable attorney fees incurred after the foreclosure sale not to exceed one-half of the amount authorized by section 582.01, may pay any costs incurred under section 582.031, and may, in case any interest or installment of principal upon any prior or superior mortgage, lien, or contract for deed is in default or shall become that becomes due during the period of redemption, pay the same, and.~~ In all such cases, the sum costs so paid and claimed due, with interest, shall be a part of the sum required to be paid to redeem from such sale. No other costs, fees, interest, or other amount may be added to the amount necessary to redeem.

Subd. 2. Affidavit of allowable costs. ~~Such Any payments made and claimed due under subdivision 1 shall be proved by the affidavit of the purchaser or the purchaser's holder of the sheriff's certificate or its agent or attorney, stating the items itemizing each of the allowable costs and describing the premises, which must be filed for record with the county recorder or registrar of titles, and a copy thereof shall be furnished to the sheriff at least ten days before the expiration of the period of redemption. Upon written request by the sheriff, the holder of the sheriff's certificate or certificate of redemption shall provide an affidavit of allowable costs to the sheriff within seven days of the date of the request by the sheriff. If the mortgagor does not redeem within seven days after the affidavit is filed, the holder of the sheriff's certificate may file a supplemental affidavit if additional allowable costs are incurred during the redemption period. If the holder of the sheriff's certificate or certificate of redemption fails to respond to the sheriff's request within seven days, the sheriff may calculate a redemption amount pursuant to section 580.23, subdivision 1, and issue a certificate of redemption for that amount. If the time allowed to redeem is less than seven days from the expiration of the redemption period, the sheriff shall make a reasonable effort to request the affidavit of allowable costs in writing from the holder of the sheriff's certificate, its agent, or attorney before issuing a certificate of redemption. If the costs are incurred after a foreclosure sale, the purchaser at the foreclosure sale holder of any sheriff's certificate of sale or certificate of redemption must comply with the provisions of section 582.03. The provisions of this section are in addition to, and do not limit or replace, any other rights or remedies available to holders of mortgages and sheriff's certificates, at law or under the applicable mortgage agreements.

CONFERENCE COMMITTEE REPORT ON S. F. NO. 3138

A bill for an act relating to health; changing provisions for handling genetic information; amending Minnesota Statutes 2006, sections 13.386, subdivision 3; 144.05, by adding a subdivision; Minnesota Statutes 2007 Supplement, section 144.125, subdivision 3.

May 13, 2008

The Honorable James P. Metzen
President of the Senate

The Honorable Margaret Anderson Kelliher
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 3138 report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S. F. No. 3138 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 2006, section 13.386, subdivision 3, is amended to read:

Subd. 3. **Collection, storage, use, and dissemination of genetic information.** (a) Unless otherwise expressly provided by law, genetic information about an individual:

(1) may be collected by a government entity, as defined in section 13.02, subdivision 7a, or any other person only with the written informed consent of the individual;

(2) may be used only for purposes to which the individual has given written informed consent;

(3) may be stored only for a period of time to which the individual has given written informed consent; and

(4) may be disseminated only:

(i) with the individual's written informed consent; or

(ii) if necessary in order to accomplish purposes described by clause (2). A consent to disseminate genetic information under item (i) must be signed and dated. Unless otherwise provided by law, such a consent is valid for one year or for a lesser period specified in the consent.

(b) Notwithstanding paragraph (a), the Department of Health's collection, storage, use, and dissemination of genetic information and blood specimens for testing infants for heritable and congenital disorders are governed by sections 144.125 to 144.128.

Sec. 2. Minnesota Statutes 2007 Supplement, section 144.125, subdivision 3, is amended to read:

Subd. 3. ~~**Objection of parents to test Information provided to parents.** Persons with a duty to perform testing under subdivision 1 shall advise parents of infants (1) that the blood or tissue samples used to perform testing thereunder as well as the results of such testing may be retained by the Department of Health, (2) the benefit of retaining the blood or tissue sample, and (3) that the following options are available to them with respect to the testing: (i) to decline to have the tests, or (ii) to elect to have the tests but to require that all blood samples and records of test results be destroyed within 24 months of the testing. If the parents of an infant object in writing to testing for heritable and congenital disorders or elect to require that blood samples and test results be destroyed, the objection or election shall be recorded on a form that is signed by a parent or legal guardian and made part of the infant's medical record. A written objection exempts an infant from the requirements of this section and section 144.128.~~

(a) Prior to collecting a sample, persons with a duty to perform testing under subdivision 1 must provide parents or legal guardians of infants with a document that provides the following information:

(1) the blood sample will be used to test for heritable and congenital disorders, the blood sample will be retained by the Department of Health for a period of at least two years and that the blood sample may be used for public health studies and research;

(2) the data that will be collected as a result of the testing;

(3) the alternatives available to the parents set forth in paragraph (c) and that a form to exercise the alternatives is available from the person with a duty to perform testing under subdivision 1;

(4) the benefits of testing and the consequences of a decision to permit or refuse to supply a sample;

(5) the benefits of retaining the blood sample and the consequences of a decision to destroy the blood sample after two years or to permit or decline to have the blood sample used for public health studies and research;

(6) the ways in which the samples and data collected will be stored and used at the Department of Health and elsewhere; and

(7) the Department of Health's Web site address where the forms referenced in paragraph (c) may be obtained.

This document satisfies the requirements of section 13.04, subdivision 2.

(b) The person with a duty to perform testing must record that parents or legal guardians of infants have received the information provided under this subdivision and have had an opportunity to ask questions.

(c) The parent or legal guardian of an infant otherwise subject to testing under this section may object to any of the following:

(1) the testing itself;

(2) the maintenance of the infant's blood samples and test result records for a period longer than 24 months; and

(3) the use of the infant's blood samples and test result records for public health studies and research.

If a parent or legal guardian elects to object to one or more of the alternatives in this paragraph, the election shall be recorded on a form that is signed by the parent or legal guardian. The signed form shall be made part of the infant's medical record and shall be provided to the Department of Health. The signature of the parent or legal guardian is sufficient and no witness to the signature, photo identification, or notarization shall be required. When a parent or legal guardian elects an alternative under this subdivision, the Department of Health must follow the election and section 144.128. A written election exempts an infant from the requirements of this section and section 144.128.

(d) For purposes of this subdivision, "public health studies and research" includes calibrating newborn screening equipment, evaluating existing newborn screening tests to reduce the number of false positive and false negative results, studying the development of new newborn screening tests for heritable and congenital disorders, and other population-based health studies.

Sec. 3. **NEWBORN SCREENING REPORT.**

By January 15, 2009, the Department of Health shall report and make recommendations to the legislature on its current efforts for ensuring and enhancing how parents of newborns are fully informed about the newborn screening program and of their rights and options regarding: (1) testing; (2) storage; (3) public health practices, studies, and research; (4) the ability to opt out of the collection of data and specimens related to the testing; and (5) the ability to seek private testing."

Delete the title and insert:

"A bill for an act relating to health; changing provisions for handling genetic information from newborn screening; requiring a report; amending Minnesota Statutes 2006, section 13.386, subdivision 3; Minnesota Statutes 2007 Supplement, section 144.125, subdivision 3."
